

Choosing the Right Contractor: 7 questions to ask every contractor before you hire them.

Choosing the right contractor is crucial to the success of any remodeling project. This checklist is designed to simplify the process and give you peace of mind by ensuring you've covered all the essentials.

1- Can you share example project reviews?

- Look for online reviews on trusted platforms.
- Ask for and contact references to hear firsthand experiences.

2- Are you fully Licensed and Insurance

- Verify that the contractor is licensed and insured in your state.
- Ensure they carry both general liability insurance and worker's compensation.

3- How do you Communicate?

- Ask about their communication process during the project.
- Ensure you understand the project timeline and milestones.
- Confirm how they will keep you informed and address any concerns.

4- What is there typical working day look like?

- Start and end times per day
- How and who will handle the contents in the rooms being worked on.
- If you need to be home or not during work?

5- Will I have dedicated team working on my project?

- Who will be the main point of contact through the project
- Are subcontractors properly vetted and Insured through the contractor.

6- What steps will you take to protect my home?

- Barrier and dust protections of areas not being affected.

- tools and materials storage during project
- Access to home and security like locking up when leaving home.

7-Post-Project Support

- Confirm what post-project support is available.
- Understand how they handle any issues that arise after the project is completed.
- How long is and what does the warranty cover
